GRADING POLICY / THEORY AND PRACTICAL

Students are graded in both theory and practical work. Theory classes are held 8:30—10:15 a.m. Wednesdays to Fridays, for day students. Students are expected to be engaged in educational activities at all times. Students not involved in clinic services must participate in appropriate and assigned theory and practical activities at all times. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Practices may be completed on mannequin, models, or clients. Policy and regulatory agencies require students to complete an established number of practical experiences for satisfactory skills development and graduation. The requirements listed by category are the minimum experiences that each student must successfully complete prior to graduation. More practices may be scheduled by the instructor based on training needs and clientele volume. Academic learning is evaluated after each unit of study. Practical assignments are evaluated and completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. The instructor will check one block on the Practical Grade Record form for each area completed satisfactorily in the applicable category. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to test procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

FERPA - NOTIFICATION OF STUDENT RIGHTS

The Family Educational Rights and Privacy Act of 1974, as amended (FERPA), is a federal law that protects student information and affords eligible students the following rights with respect to their education records:

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.
2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the institution discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA.

An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. Following please find a more detailed discussion of each of these rights and guidance regarding the manner in which they may be exercised.

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

With certain exceptions, an "education record" is defined under FERPA as any record (1) from which a student can be personally identified and (2) that is maintained by the institution.

A student wishing to inspect his or her education records should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

Copies of requested educational records will only be provided in the event that circumstances effectively prevent a student from exercising the right to inspect and review the education records requested and no other feasible arrangements can be made. In such instances, a fee may be charged to cover the production of copies.

2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

To question the accuracy of education records, students should first informally confer with the custodian or originator of the record at issue. A student who then wishes to ask the school to amend a record should write the official responsible for the record, clearly identifying the part of the record that he or she believes should be amended and the basis for why it should be amended.

If the school decides not to amend the record, it will notify the student in writing of the decision and the student's right to a hearing with school officials regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.

Note: The above procedure shall not be available to challenge the validity of a grade or score given by an instructor or any other decision by an instructor or official, but only whether the recording of such grade or decision is accurate or complete.

3. The right to provide written consent before the institution discloses PII from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Students may consent to their school disclosing PII from the student's education record to a third party. This consent must be made to the Registrar, in writing, signed and dated by the student, and must (1) specify the records to be disclosed, (2) state the purpose of the disclosure, (3) and identify the party to whom the disclosure is to be made. This release requirement is applicable to disclosures to parents or other family members who inquire about a student's education record.

To facilitate this process, our school has created a *FERPA Consent to Release Personally Identifiable Information*, which may be obtained from the Registrar. A fee may be imposed for copying a student's record(s) in connection with such a disclosure or release.

Significantly, there are instances in which a school is permitted to disclose a student's education records *without* consent. For example, our school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by us in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student

-serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of our school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

FERPA also permits institutions, within established guidelines, to disclose without a student's consent information the institution deems "directory information." This provision of FERPA enables institutions to provide beneficial services to students such as verifying enrollment for insurance purposes, verifying degrees earned for employment purposes, providing basic contact information so that students may contact each other, and so on. Our school has identified the following items as directory information: name, address, telephone number, e-mail address, dates of attendance, major field of study, credit hours earned, degrees earned, honors and awards received, participation in official school activities, and most recent previous educational agency or institution.

Students may request that directory information not be released. To request restriction of directory information, students should complete a *Request to Restrict Release of Student Directory Information* form, which can be obtained from, and once completed, should be submitted to, the Registrar.

Additional examples of instances in which our school might disclose a student's education records *without* consent include, but are not limited to: compliance with a judicial order or pursuant to a lawfully issued subpoena; to officials of another school in which the student is enrolled or seeks or intends to enroll (in these cases our school intends to forward the information upon request); in the event of a health or safety emergency involving the student; or to parties otherwise authorized to receive the information pursuant to FERPA.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA.

Students wishing to file complaints relating to FERPA matters may submit such complaints to the following office of the U.S. Department of Education, which administers FERPA:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

In addition, our school encourages students to file any such complaints or concerns with our school pursuant to the Student Grievance Policy located in our Campus Catalog.

Students with questions regarding their rights pursuant to FERPA, or desiring additional guidance concerning the appropriate manner in which to exercise such rights at their school, can contact the school manager.

FINANCIAL AID AVAILABILITY (Student Federal Aid) & FEE WAIVERS

Cannella School of Hair Design only participates—in Title IV Pell Grant Program, SEOG, Direct Loans and Direct Plus Loans.

A Federal Pell Grant, unlike a loan, does not have to be repaid. Generally, Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or professional degree. How much you get will depend not only on your EFC but also on your cost of attendance, whether you're a full-time or part-time student, and whether you attend school for a full academic year or less. You may receive only one Pell Grant in an award year, and you may not receive Pell Grant funds from more than one school at a time. A student must complete a federal aid application for the award year in which a payment is to be made. This is why students whose attendance crosses over June 30 of any year must fill out a new application.

Direct Subsidized Loans are available to undergraduate students with financial need. The school determines the amount you can borrow, and the amount may not exceed your financial need. For a subsidized loan, the U.S. Department of Education pays the interest while you're in school at least half-time, and during a period of *deferment* (a postponement of loan payments). If you receive a Direct Subsidized Loan you will be responsible for paying any interest that accrues during your grace period. If you choose not to pay the interest that accrues during your grace period, the interest will be added to your *principal* balance. The interest rate of subsidized loans have a fixed interest rate. There is a loan fee and will be proportionately deducted from each loan disbursement.

Direct Unsubsidized Loans are available to undergraduate students; there is no requirement to demonstrate financial need. The school determines the amount you can borrow by considering the cost of attendance and other financial aid you receive. For an unsubsidized loan, you are responsible for paying the interest during all periods. If you choose not to pay the interest while you are in school and during grace periods and deferment or *forbearance* periods, your interest will accrue (accumulate) and be capitalized (that is, your interest will be added to the principal amount of your loan). The interest rates of unsubsidized loans have a fixed interest rate. There is a loan fee and will be proportionately deducted from each loan disbursement.

For a Direct PLUS Loans, the U.S. Department of Education is the *lender*. The borrower must not have an *adverse credit history*. Loans have a fixed *interest rate*. The maximum loan amount is the student's cost of attendance (determined by the school) minus any other financial aid received. There is a loan fee and will be proportionately deducted from each loan disbursement.

To apply for a federal student loan, please go to www.studentloans.gov. You must complete and submit a Free Application for Federal Student Aid (FAFSA). Before you receive your loan funds, you will be required to complete [entrance counseling](#), a tool to ensure you understand your obligation to repay the loan; and sign a [Master Promissory Note \(MPN\)](#), agreeing to the terms of the loan.

The student is required to complete [Exit Counseling](#) before they graduate, or if they decide to withdraw from the program, a tool to ensure the student understands their rights and responsibilities as a student loan borrower and provides useful tips and information to help manage their loans by visiting the website: www.studentloans.gov

Federal student loan records of students and parents will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system. Students and parents may view their loan record history by visiting www.nsls.ed.gov.

Maximum eligibility period to receive Direct Subsidized Loans

There is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This is called your "maximum eligibility period" (see Satisfactory Academic Progress).

For example, if you are enrolled in our Cosmetology program, which is 1.66 program length. Student is not eligible to receive subsidized loans in excess of 2 and ½ academic years (150% Limit). Student received subsidized loans for one full academic year in a previous enrollment. Student has 1½ academic year remaining of subsidized loan eligibility (\$1,750).

Your maximum eligibility period is based on the published length of your current program. This means that your maximum eligibility period can change if you change programs. Also, if you receive Direct Subsidized Loans for one program and then change to another program, the Direct Subsidized Loans you received for the earlier program will generally count against your new maximum eligibility period. For additional information, please go to www.studentloans.gov and complete the entrance counseling.

Supplemental Educational Opportunity Grants (SEOG) payments are additional grant funds disbursed according to the student need. Eligibility is determined by: lowest expected family contribution; expected Pell disbursement for the award year; satisfactory progress. SEOG is awarded on a need basis.

Students are reminded that financial aid is awarded only to those who qualify. The monetary amount and disbursement dates may vary according to changes in federal regulations and funding levels for the programs, as well as changes in student's status. The school may waive part or all remaining balance owed upon a student's completion of the course. Each such case is assessed individually, and the determination of the amount to be waived (if any) is based upon the remaining balance owed and the student's need.

VERIFICATION POLICY

Verification is a process which requires an institution to confirm the accuracy of information used to determine a student's eligibility for federal student assistance. A student's file may be selected for verification by either the school or by the U.S. Department of Education.

If a student's file has been selected for review under the verification process, depending upon the reason the file was selected, some of all of the following information may be requested from the student:

- A completed Verification Worksheet, signed by the student, spouse or parent when applicable.
- A copy of an IRS Tax Return Transcript from the U.S. Internal Revenue Service will be required unless the student (and parents where applicable) have properly used the IRS Data Retrieval Tool to import tax information into the student's FAFSA record. A Tax Return Transcript will serve to confirm the accuracy of income and other tax related amounts that the student reported on his/her FAFSA application if the IRS/DRT has not been used.

Obtaining Tax Return Transcripts

Students can obtain tax return transcripts:

- Via the Internet at www.irs.gov
- Via phone by calling 1-800-908-9946
- Via mail or fax by completing IRS Form 4506T-EZ

Internet and phone requests are easy and tax return transcripts will be mailed to the tax filer's address within 5-10 days. Submission of Form 4506T-EZ can authorize mailing of the transcript to a third party (such as the institution) but will take approximately 30 days.

- Other documentation may be requested by the institution to verify the accuracy of your application information including, but not limited to, marital settlement agreements, divorce decrees, W-2 forms, etc.

Students must provide the above information to the institution within 30 days once the student has been selected for verification and no later than 120 days of the student's last date of attendance, or before the respective award year funding processes close in accordance with dates published annually in the Federal Register, whichever is earlier. Failure to complete the verification requirements on a timely basis may result in forfeiture of any federal aid awarded during the award year.

Students will be notified by the institution if any discrepancies are discovered during the verification process. Students may be required to correct any erroneous information by using the ISIR correction process at www.fafsa.ed.gov. The verification process is not considered to be completed during periods of corrective action. Corrections generally include a recalculation of the student's EFC, and electronic resubmission of applicant information through the FAFSA Central Processor.

If a student's award changes as a result of the verification process, the student will be counseled and informed of how the change affects his/her packaging and financial obligations to the institution.

In the event this verification process identifies that a student received an overpayment of federal aid, the student will be required to refund the overpayment promptly. The student will be ineligible for any future federal aid until any and all amounts owed are repaid. If the student fails to repay any refund due, or if the institution determines that the student may have engaged in fraud or misrepresentation regarding the federal aid process, the student will be referred to the U.S. Department of Education for further investigation and prosecution.

Students will forfeit their right to federal assistance for non-compliance with verification policies.

CREDIT BALANCE POLICY

A credit balance results when the total of the credits posted to a student's account (e.g., payments, loan disbursements, scholarships, etc.) exceeds the total of the charges applied or applicable to the account for a specific payment period.

A credit balance eligible for a refund is one where all the applicable charges and credits have been posted to the account and his or her eligibility for such funds has been reviewed and confirmed or adjusted based on current eligibility, enrollment or any other applicable conditions. Anticipated funds, including anticipated financial aid, are not considered credits to a student's account until the funds have actually been disbursed to the account. Accounts of students on a Payment Plan are not eligible for a refund unless the Payment Plan has been completed and paid in full, and payments exceed the applicable charges. Credit balances will be refunded within 14 days.

COST OF ATTENDANCE

Student Budgets for the Academic Year 2017-2018

Annually, the Student Financial Aid Office establishes model costs of attendance, covering educational expenses at Cannella School of Hair Design, as well as the costs of a modest but adequate standard of living. These budgets are used to determine financial aid eligibility and include tuition, fees, books and supplies, room and board, and miscellaneous expenses. Of course, the amount anyone spends depends greatly upon his or her own personal situation and choices. While actual expenses will vary based on those choices, here you will find the estimated cost of attendance for Cannella School of Hair Design for a 7 month period.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Students are required to maintain satisfactory academic progress throughout their training to be in compliance with the School's policy and to remain eligible for HEA, Title IV federal student financial assistance. Also, students who do not receive financial aid and are paying on out-of-pocket are required to maintain satisfactory academic progress throughout their training. The attendance and academic requirements apply to every student enrolled in the school, whether they receive financial aid or paying on a cash-basis. All periods of enrollment count toward SAP (Fall, Winter, Spring and Summer) including periods when a student does not receive financial aid. It is the school's policy to apply it consistently to all students enrolled in the Cosmetology program and Teacher Training program, whether a student is full-time or part-time. Satisfactory academic progress is measured in both quantitative terms (attendance), as well as qualitative terms (academics/grades). Student must meet the school's attendance standard and the academic standard on a cumulative basis (start date to evaluation date) to maintain Satisfactory Progress, and also, for eligibility for federal student financial assistance funds unless the student is on "Warning" or "Probation" status as defined in this policy.

Attendance Standard for Cosmetology Course and Teacher Training Course

Students must attend at least 66.67% of the hours (at least 75% is required by the state for all Veterans' Trainees) they are scheduled to attend based on the student's enrollment agreement. A student's attendance pace is determined by the following formula:

At the point when the student successfully completes the scheduled clock hours for that period

Cumulative clock hours of scheduled attendance as of the evaluation date

For all students who qualify for federal funds, whether full-time or part-time, they are evaluated at the end of each period (450-900-1200). We are using as an example, a part-time 75 week, 1500 clock hour program in which a student is scheduled for 20 hours a week. The student successfully completes the 450 hours required for the period at the point where he was scheduled to complete 600 hours. The calculated pace, in hours, would be $450/600 = 75\%$. Because the student has successfully completed the hours in the period, the second disbursement would be made at this time, for those who qualify for federal funds.

Cosmetology Students and Teacher Trainees must maintain an academic average of at least 75% or higher on a cumulative basis as of the evaluation date to meet the academic standards of this policy and be considered as making satisfactory academic progress.

Review and Evaluation Periods

All students are notified by their teachers of their academic progress and attendance and receive an Academic Review monthly and a Satisfactory Academic Progress Evaluation at the end of each period. If the student was absent during the monthly Academic Review and did not receive their review, the student is to request an Academic Review from the teacher. All student's attendance progress will be collected and recorded at the end of each calendar month of the student's period of enrollment. Students must have completed a minimum

of 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

Evaluation Periods:

Students are evaluated for Satisfactory Academic Progress based on actual hours completed at the end of each period as follows:

Cosmetology: 450, 900, 1200

Teacher Training: 450, 900

Transfers: If the hours needed at the school are less than 900 hours, then the first evaluation period will occur at the mid-point of the hours needed rather than at 450.

Students who meet the attendance and academic standards described herein will be considered to be making satisfactory academic progress until the next scheduled evaluation.

For all students, Satisfactory Academic Progress for Cosmetology students will be evaluated at the end of each evaluation period cumulative for first academic year 0-450, 451-900 hour mark and the second academic year 901-1200, 1201 hour mark, for disbursements of funds. Satisfactory Academic Progress for Teacher Training students will be evaluated at the end of each evaluation period cumulative for first academic year 0-450, 451-900 hour mark and the second academic year 901, for disbursements of funds. Also, students who qualified for Title IV (Pell and Direct Loans) must meet the minimum requirement for each of the following standards: attendance (66.67%) and academics (75%) to be either on a "Progress", "Warning" or "Probation" status at the time of their evaluation for any disbursements of funds. There is no Title IV aid disbursed for students who are considered not making progress (NO Progress) status at the time of their evaluation.

Warning

Students who fail to meet either of the two progress standards as of an evaluation date will be placed on Warning status, and the student will remain eligible for federal student aid funds for the subsequent payment period. A student may not be placed on "Warning" for consecutive payment periods. At the end of the "Warning" period, the student must be meeting the published attendance and academic standards on a cumulative basis to be considered as making satisfactory academic progress and to remain eligible for further federal student financial aid.

Probation

Any student who fails to meet the published standards at the end of his/her "Warning" period is considered as not making satisfactory academic progress and is ineligible for further federal aid unless the student submits a written appeal in accordance with this policy as is granted "Probation" by the School. In the event the student submits a successful appeal and is granted probation, federal student aid eligibility will be reinstated for the subsequent evaluation period only. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation or the students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress during probation. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Appeals

Students who have been designated as not making satisfactory academic progress may appeal the determination with the School based on a death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student's appeal must be made in writing to the school manager and must be received within 10 days of the determination of unsatisfactory progress. The student's appeal must document the unusual or mitigating circumstances that caused the student to fail to meet the School's standards as well provide information regarding what conditions have changed that would demonstrate that the student could regain satisfactory academic progress standards during the probationary period. The School will review the student's appeal and related documentation and its resulting decision will be final. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. If the student does not prevail upon appeal due to insufficient documentation, the student will continue the same status, as determine not making satisfactory academic progress. Students will not be deemed to be eligible to receive Title IV funds for during that period, if applicable. No more than one appeal may be granted during any one period of enrollment.

Interruptions and Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. All students who withdrew from our program of study and re-enters the school, they will re-enter in the same progress status as when they left. With regard to Satisfactory Academic Progress, a student's actual hours completed will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted for transfer students. The maximum time allowed for withdrawal students who need less than the full course requirements will be determined based on 66.67% of the scheduled contracted hours. SAP evaluation periods are based on actual contracted hours at the school. Withdrawn/passing: Students who want to return and have been designated as making satisfactory academic progress prior to withdrawing will be interviewed by the manager and then, reviewed by the appropriate personnel and a determination will be made. Withdrawn/failing: Students who want to return and have been designated as not making satisfactory academic progress will have to be interviewed by the manager and also, complete an appeal form. The student will have to state the reasons why he/she didn't meet satisfactory academic progress and what has changed in the student's situation that will allow to demonstrate to be able to meet satisfactory progress both in academic and attendance. The appeal will be reviewed by appropriate personnel and a determination will be made. No student will be admitted more than two times, unless there are extenuating circumstances as determined by corporate office. Students should meet with a financial aid advisor to discuss the conditions under which federal aid may be awarded and re-establish financial aid.

Students credited with completing a portion of a course will be charged the currently hourly fee for hours needed to be completed, plus the fee for equipment (if needed), and an enrollment fee of \$100.00. However, in cases where the total charges (including any enrollment fee and other charges) exceed the current total costs of the course, the school may (at its option) charge the current total costs for the course. In addition, in cases where a school is closed or re-located, the school may (at its option, and only for students transferring at the time of relocation or closure) charge a student's remaining balance from the first Institution as the total charges for transferring into another location. In addition, transfers and re-entries must meet all other admission requirements for the course as well. This also applies to all former students who did not complete their course or transfer from another Cannella School of Hair Design. All Cannella School of Hair Design re-entries and Cannella School of Hair Design transfers will be evaluated according to their previous Satisfactory Academic Progress. It is the discretion of the corporate office whether the student will be allowed to continue the program.

Noncredit Remedial Courses / Course Incompletes & Course Repetitions

Cannella School of Hair Design does not offer nor require non-credit remedial courses; therefore these have no effect on the School's Satisfactory Academic Progress Policy. Course incompletes and course repetitions are not applicable to this institution's courses of instruction, and consequently have no effect upon a student's satisfactory progress status in this school.

Changes in Majors or Degrees

Changes in majors or degrees does not apply at this institution. Therefore, this item has no effect upon the school's satisfactory progress standards.

Pursuit of a Second Degree

A second degree does not apply at this institution. Therefore, this item has no effect upon the school's satisfactory progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. The GPA is not counted. SAP evaluation periods are based on actual contracted hours at the school.

Reinstatement of Federal Financial Aid

Federal student financial aid is suspended when a student is considered as not making satisfactory academic progress. Aid will be reinstated when the student improves his/her attendance or academics to a level such that minimum standards have been met. If the student begins a payment period not making satisfactory academic progress, but reverses that designation before the end of that payment period, the student will be eligible for federal aid for the next payment period.

Maximum Time Frame

The normal time frames and maximum time frames required for program completion are listed below. The maximum time frame for any student to complete the course in which they are enrolled is one and one-half (1.5) times the course length. Students who maintain satisfactory academic progress in attendance will complete the program during the allowable maximum time frame.

| | <u>Normal Time Frame</u> | <u>Maximum Time Frame</u> |
|------------------------------|--------------------------|---------------------------|
| Cosmetology (Full Time) | 51 Weeks – 1500 Hours | 70.31 Weeks – 2250 Hours |
| Cosmetology (Part Time) | 82 Weeks – 1500 Hours | 112.5 Weeks – 2250 Hours |
| Teacher Training (Full Time) | 34 Weeks – 1000 Hours | 46.87 Weeks – 1500 Hours |
| Teacher Training (Part Time) | 55 Weeks – 1000 Hours | 75 Weeks – 1500 Hours |

Students who have not completed the course within the maximum timeframe and exceed it, may not continue as a student at the institution and will be dropped from the Cosmetology/Teacher Training program.

If the student takes an official LOA by filling out the “Leave of Absence Request Form”, their enrollment agreement end date will be adjusted accordingly by the same number of days taken in the leave of absence and also their maximum time frame is adjusted accordingly. This also applies for a student who changes their schedule and fills out the “Schedule Change” form. **Note:** If a student does not complete the program by the normal time frame, and if the end date has fallen beyond the date which is stated on the student’s enrollment agreement upon enrollment, the institution may charge the student an hourly fee for extra instruction needed to complete his/her course (see COURSE COSTS, PAYMENT, & CLASS SCHEDULE).

Determination of Status:

1. New students will be determined to be making satisfactory progress from their actual starting date until the conclusion of their first period of evaluation.
2. Current students who have met both academic and attendance requirements at the end of the evaluation period will be considered to be maintaining satisfactory progress until their next evaluation.
3. Current students who have not met both academic and attendance requirements shall be placed on WARNING period. During a “Warning”, a student is eligible for financial aid. However, at the end of the financial aid “Warning”, if the student has not satisfied the requirements, the student shall be considered not making progress (No Progress) and all financial aid assistance will be withheld. Financial Aid students will not be eligible to receive any financial aid if their percentages have not improved by their next scheduled evaluation mark. Students may regain progress status in attendance by achieving a cumulative attendance average of 66.67% of their scheduled enrollment time on a later attendance report. Students may regain progress status in academics by completing all incomplete and unsatisfactory work and achieving a cumulative of 75% minimum grade point on a later academic report.
4. Students on academic or attendance probation who have not met both academic and attendance requirements at the end of an evaluation period will be considered not making satisfactory progress and all financial aid assistance will be withheld. Students who are considered not making satisfactory progress (No Progress) may be terminated from the school.
5. Students considered not making progress (whether returning from a temporary absence or who have remained enrolled) may regain maintaining progress status through an appeal, or by meeting the requirements at the end of any subsequent evaluation period. However, a student who has not met the requirements at the end of any evaluation period by the midpoint of the course, cannot be considered to be maintaining satisfactory progress at any subsequent evaluation.
6. Students must meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the course to be considered making satisfactory progress as of the midpoint of the course.
7. Temporary Interruptions: A student taking a leave of absence shall return with the same progress status the student had upon taking the leave.

Leave of Absence (LOA) Policy

An authorized leave of absence (LOA) is a temporary interruption in a student’s program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

A leave of absence must meet certain conditions to be counted as a temporary interruption in a student’s education instead of being counted as a withdrawal requiring a school to perform a Return calculation.

In order for a leave of absence to qualify as an approved leave of absence:

1. A student may request a leave of absence not to exceed 60 days due to personal or family illness, pregnancy, military service, and other personal reasons. There must be a reasonable expectation that the student will return from the LOA.
2. A second leave of absence may be requested after (30) days from the return date of the first LOA.
3. Special circumstances or other situations can be taken into account for an additional leave and can be reviewed and granted by Cannella School of Hair Design on a case by case basis.
4. New students cannot request for a Leave of Absence (LOA) until after (90) ninety days from their start date, unless the student has written proof from a physician due to their own serious health conditions.
5. All requests for leaves of absence must be submitted in advance in writing, must be signed, and must be dated.
6. The student’s application for a Leave of Absence (LOA) must include the reason for the student’s leave request. If the student refuses to state the reason for requesting an LOA, their application will be denied. Also, the student cannot state the reason for the request is for personal reasons only, without explaining in detail the personal issue.
7. The student is required to apply in advance for a leave of absence unless unforeseen circumstances prevent the student from

doing so (for example, injured in a car accident, etc.). The school may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the institution documents the reason for its decision and collects the request from the student at a later date. The beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend the school because of the accident.

8. Obtain a Leave of Absence (LOA) form from your school manager's office.
9. Complete and submit the Leave of Absence (LOA) form to the school manager for approval.
10. The student must follow the school's policy in requesting the LOA. Approval of the student's request for an LOA is in accordance with the institution's policy.
11. A student granted an LOA that meets the above criteria is not considered to have withdrawn, and no refund calculation is required at that time.
12. The Leave of Absence Request Form will state the date student shall return from the LOA, if student does not return on the date stated he/she will be dropped from the program on the date required to return. The withdrawal date for the purpose of calculating a refund is always student's last day of attendance.
13. Upon the student's return, the student simply resumes or continues the same payment period and coursework and is not eligible for additional Title IV program assistance until the payment period has been completed and he/she has maintain Satisfactory Progress. The institution does not assess the student any additional institutional charges as a result of the LOA.
14. A student who does not submit a Leave of Absence (LOA) to the school manager will be considered an absentee.
15. If the student is (14) fourteen consecutive days absent or does not return from their leave of absence by their end date, the student will be consider to have withdrawn from the course.
16. The student's end date on their enrollment agreement and maximum time frame would be extended accordingly to the amount of days actually a student was on a Leave of Absence (LOA). Changes to the contract period on the enrollment agreement addendum must be signed and dated by all parties.
17. A student may request a Medical Leave of Absence only with written proof from a physician due to their own serious health conditions (maximum time, including any other Leave of Absence cannot exceed 180 days within a (12) twelve month period; these provisions starts on the first day of the first leave).
 - a) "Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:
 - Inpatient care (*i.e.*, an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (*i.e.*, inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or Continuing treatment by a health care provider.

EXCUSE AND UNEXCUSED ABSENCES:

Students are advised that is important to attend school at a regular basis according to their enrollment agreement class schedule. A student can request a leave of absence up to (60) days or a medical leave of absence up to 180 days including any prior leave of absence within a (12) month period (See Leave of Absence policy). Leaves of absences are considered excused absences. All other absences are considered unexcused. A student who has a valid excuse (medical, court, etc.) can make-up their hours. If the completion date has fallen beyond the date which is stated on the student's enrollment agreement, the institution may charge the student an hourly fee for extra instruction needed to complete his/her course (Please see the Enrollment Agreement for hourly fee). All students who do not complete the course within 150% of the normal completion time will be considered NOT maintaining Satisfactory Progress and will be dropped from the program.

DROP FEE / REENROLLMENT FEE:

Any student who is considered a withdrawal from school records (being absent for 14 consecutive days, including Sunday's Monday's & Tuesday's) will be charged a \$150.00 drop fee and a \$100.00 enrollment fee. Any student, who is not reinstated within 180 days since their last day of attendance, will need to sign a new enrollment agreement and a deposit will be required.

RETURN OF TITLE IV POLICY

The law specifies how the institution must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law at our institution are: Federal Pell Grants, SEOG and Direct Loans.

Official Withdrawal – When a school manager receives a request from a student who decides to drop from the program, the student should write a letter stating the reason for requesting it. If the school manager receives a phone call from the student requesting to be dropped, the manager is to record the date the student made the request and record the reasons why. If the student is terminated from the school for violation of school rules or other reason, the manager is to record reason why student has been terminated. The school manager will immediately report it to the Director of Business Operations and submit all required documents. The last date of an academic activity is the date used for the Return of Title IV calculation.

Unofficial Withdrawal – Students who miss 14 consecutive days will be dropped from the program. Also, any student who does not return from an approved Leave of Absence on the date they are scheduled to return shall be dropped. The school manager will immediately report it to the Director of Business Operations and submit all required documents. The last date of an academic activity is the date used for the Return of Title IV calculation.

Refund

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a prorata basis. For example, if you completed 30% of your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive for that period. If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. A student will be notified of the post-withdrawal disbursement and will have 10 days in which to respond. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition and fees (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There is some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct loans funds that you would have received had you remained enrolled past the 30th day. If you receive (or your school or parents receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of: 1) Your institutional charges multiplied by the unearned percentage of your funds, or 2) The entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds. If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Order of Returns

If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the school shall be paid to the Federal Government within 45 days, as applicable, first to unsubsidized FDSL Program, second to subsidized FDSL Program, third to Federal Pell Grant, fourth Federal SEOG Program, fifth to any other Title IV Program, and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to the Institutional Refund to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The refund policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. If you don't already know

what your school's refund policy is, you can ask your Admission Representative for a copy. Your Admission Representative can also provide you with the requirements and procedures for officially withdrawing from school. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

SERVICES FOR STUDENTS WITH LEARNING DISABILITIES

Cannella School of Hair Design is committed to providing a supportive environment for all students with disabilities and work with them so they can receive reasonable accommodations for their disability. Students with disabilities must register with the main office in order to qualify for reasonable accommodations. Accommodations are determined on a case-by-case basis and determined by the disability documentation provided by the student. The Cannella School of Hair Design is required to provide students with appropriate academic adjustments and auxiliary aids and services that are necessary to afford an individual with a disability an equal opportunity to participate in a school's program. The school is not required to make adjustments or provide aids or services that would result in a fundamental alteration of the school's program or impose an undue burden.

Depending on students' needs and limitations Disability Services may provide the following:

Testing accommodations, such as extended time (50% additional time is the standard) and alternative test environment

Reader services for examinations

Long exams administered in two parts

4. Separate from any legal requirements, our campus is concerned with the health and well-being of members of our campus community. Students may contact the Campus manager, in confidence, for referrals or information regarding available and appropriate substance abuse counseling, treatment, or rehabilitation programs.
5. Finally, we ask for your help in keeping our campus free of substance abuse. Please notify management if you become aware of any alcohol or drug-related activity in violation of this *Policy*.

Legal Sanctions Relating To Substance Abuse

1. Local, state, and federal laws make illegal use of drugs and alcohol serious crimes. State laws contain a variety of provisions governing the possession, use, and consumption of alcoholic beverages. In every State it is unlawful to sell, furnish or provide alcohol to a person under the age of 21. Also, the possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public generally is illegal. Driving while intoxicated also is illegal, independent of age. State laws also prohibit the unlawful possession, distribution, and use of controlled substances and drugs, as defined in each jurisdiction.
2. In addition to local and state laws, federal laws also prohibit the unlawful possession, distribution, and use of controlled substances and drugs. Among other things, federal laws make it a crime to possess drugs (including in your locker, car, purse, or house), to hold someone else's drugs, or to be in a house where people are using drugs.
3. Members of our campus community should be aware of the serious legal penalties applied for conviction in cases of drug or alcohol abuse. Such convictions can lead to imprisonment, fines, and assigned community service. Also, courts do not lift prison sentences in order for convicted persons to attend college or continue their jobs. An offense is classified as a misdemeanor or a felony, depending upon the type and the amount of the substance(s) involved. Specific legal sanctions under local, state, and federal laws may include:
 - Suspension, revocation, or denial of a driver's license
 - Property seizure
 - Mandated community service
 - Monetary fines
 - Prison sentence
4. Persons convicted of drug possession under state or federal laws are ineligible for federal grants and loans for up to one year after the first conviction, and five years after the second. A felony conviction for such an offense also can prevent a person from entering many fields of employment or professions. Under federal law, distribution of drugs to persons under 21 is punishable by twice the normal

penalty with a mandatory 1 year in prison. Federal laws set substantially higher prison sentences for the manufacture and distribution of drugs if death or serious injury results from the use of the substance.

Prevention of Substance Abuse and Available Resources

1. Drug and alcohol abuse education programs are offered by local community agencies. Our campus typically posts information about such education programs in the main Office.
2. While care must be taken to ensure that a person is not wrongly accused of drug use, it is recommended that anyone who notes signs of substance abuse in another student contact the Campus manager. If it is determined by the Campus manager that a student is in need of assistance to overcome a drug problem, he or she may be counseled to seek such assistance. Records of such counseling will remain confidential.
3. Students also may voluntarily contact the Campus manager, in confidence, for referrals or information regarding available and appropriate substance abuse counseling, treatment, and rehabilitation programs. Organizations offering such programs include:
 - The Alcoholism and Drug Abuse Hotline 1-800-ALCOHOL
 - The Cocaine Hotline 1-800-NODRUGS
 - The National Institute on Drug Abuse Treatment Referral Hotline 1-800-662-HELP
 - Al Anon for Families of Alcoholics 1-800- 344-2666

Health Risks Associated With Substance Abuse

Alcohol and drugs are toxic substances that affect the mind, body, and spirit. Excessive drinking can cause health risks which include damage to your body organs, impaired physiological responses, mental and emotional disorders, and in very high doses, respiratory depression and death. Drug abuse also is dangerous and can lead to psychosis, convulsions, coma, and death. Continuous use of drugs can lead to organ damage, mental illness, and malnutrition.

POLICY STATEMENT ADDRESSING, PREVENTING, AND RESPONDING TO SEX OFFENSES

The School educates the student community through Prevention programs, which are to prevent dating violence, domestic violence, sexual assault, and stalking, which are discussed during new student/employee orientation which includes extensive handouts and procedures directed toward personal protection, the prevention of crime, increasing awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses. To increase crime awareness and prevention, local law enforcement officers are periodically invited to speak to staff and students.

The only on-campus services available to victims of sex offenses are described in this report. There is no on-campus counseling, mental health or other student services available.

The school does not provide living situations during enrollment. The school will change a victim's academic situation after the alleged sex offense if requested by the victim, and the change is reasonably available.

In the event a sex offense occurs on campus, the accuser has the option to and should take the following steps:

- a) If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety.
- b) Report the offense to school manager in the main office.
- c) Preserve any evidence as may be necessary to prove criminal sexual assault. The victim should refrain from taking a shower, washing hands or changing clothing. The location where the assault occurred should not be disturbed. The victim should get immediate medical assistance.
- d) Request assistance, if desired, from school manager in reporting the crime to local law enforcement agencies.
- e) Report the crime to local law enforcement agencies in a timely manner.
- f) Request a change in the academic situation if desired.
- g) Contact an appropriate agency in the community for counseling or other services that may be needed.

Filing a Written Report of Sexual Offense - A person who has experienced a sexual offense is encouraged to make a report. This report serves as a means of documenting the incident and allows for immediate response by the school, and/or the police. A person who has experienced or thinks they have experienced a sexual offense is encouraged to report such an incident to the police. To make a report please contact school manager or police department (911).

Cannella School of Hair Design is committed to providing and maintaining a healthy learning and working environment for all students, staff and faculty members. It is important that all students are aware of and protect their right in the school community. Please refer to "Student Disciplinary Action" and "Rights of Individuals Reporting a Complaint". The Cannella School of Hair Design condemns any form of sexual offense. This document is generally intended to set forth the procedures and disciplinary actions regarding sexual offenses. Furthermore, it specifically sets forth the procedures that are encouraged to be considered by a person who may have experienced a sexual offense.

Cannella School of Hair Design will uniformly and consistently report all criminal sexual offenses occurring on campus and reported to the proper municipal authority.

It is illegal and against the policy of Cannella School of Hair Design for any student, employee, or other person to commit the offense of domestic violence, dating violence, stalking, sexual assault, aggravated sexual assault, sexual abuse, aggravated sexual abuse, against any person while on the premises of the campus. Such illegal and prohibited activities include, but are not limited to, sex offenses which are commonly date rape or acquaintance rape, or which may involve unwanted touching and fondling, whether forcible or nonforcible.

Title IX of the Education Amendments of 1972 is a federal law prohibiting discrimination on the basis of sex in all education programs and activities operated by recipients of federal funds. It states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance." Title IX prohibits all forms of sex discrimination, including gender-based harassment, sexual harassment, and sexual violence. If you want to learn more about your rights, or if you believe that your school is violating federal law, you may contact the U.S. Department of Education, Office for Civil Rights, at (800) 421-3481 or ocr@ed.gov.

On campus disciplinary action in cases of alleged sexual assault will be based on findings by the law enforcement agency investigation, facts pertaining to the crime, and other related mitigating circumstances provided that:

- a) the accuser and the accused may have others present during the campus disciplinary proceeding;
- and
- b) both the accuser and the accused shall be informed of the final determination of the disciplinary proceeding and any sanction(s) imposed against the accused.

This process is completely separate from any criminal or civil actions the individual who has been assaulted might pursue. Possible sanctions the school may impose following a final determination regarding rape, acquaintance rape, or other forcible or non-forcible sex offense vary depending upon the final determination and may include but are not limited to one or more of the following: classroom or school transfer; limiting or denying student or employee access to a part or area of a school; awareness training (to help student or employee perpetrators understand the impact of their behavior); mandatory counseling; short-term or long-term suspension; exclusion or expulsion from Cannella School of Hair Design or termination of employment and/or any other action authorized by and consistent with the school disciplinary code.

In order to protect the safety and well-being of its school members, Cannella School of Hair Design reserves the right to immediately impose sanctions upon a student or employee when it, in its sole discretion, feels there is sufficient risk following an allegation of dating violence, domestic violence, sexual assault, or stalking.

POLICY STATEMENT ADDRESSING SEX OFFENDER REGISTRATION

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the *Jeanne Clery Act* and the Family Educational Rights and Privacy Act of 1974, the Cannella School of Hair Design is providing a website to the "Illinois Sex Offender Information" and "National Sex Offender Public Registry". This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Illinois, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the Department of State Police.

Illinois Compiled Statutes (730 ILCS 152/115 (a) and (b)) mandate that the Illinois State Police ("ISP") establish and maintain a statewide Sex Offender Database, accessible on the Internet, identifying persons who have been convicted of certain sex offenses and/or crimes against children and must register as a Sex Offender.

Persons required to register as Sex Offenders are persons who have been charged of an offense listed in Illinois Compiled Statutes 730 ILCS 150/2(B) when such charge results in one of the following:

- (a) A conviction for the commission of the offense or attempt to commit the offense,
- (b) A finding of not guilty by reason of insanity of committing the offense or attempting to commit the offense, or
- (c) A finding not resulting in an acquittal at a hearing for the alleged commission or attempted commission of the offense.

The Sex Offender Registry was created in response to the Illinois Legislature's determination to facilitate access to publicly available information about persons convicted of sex offenses. ISP has not considered or assessed the specific risk of re-offense with regard to any individual prior to his or her inclusion on this Registry and has made no determination that any individual included in the Registry is currently dangerous. Individuals included on the Registry are included solely by virtue of their conviction record and Illinois state law. The primary purpose of providing this information is to make the information easily available and accessible, not to warn about any specific individuals.

Anyone who uses this information to commit a criminal act against another person is subject to criminal prosecution.

The Illinois State Police is responsible for maintaining this registry. Follow the website below to access the Illinois State Police website.
