The generous portion of miscellaneous hours is to be applied as needed in curriculum related areas or if the Student desires to specialize in a specific area. The school does not offer the Internship Program.

GRADING POLICY / THEORY AND PRACTICAL

Students are graded in both theory and practical work. Theory classes are held 8:30—10:15 a.m. Wednesdays to Fridays, for day students and 5:00—9:00 p.m. Wednesdays for evening students. Students are expected to be engaged in educational activities at all times. Students not involved in clinic services must participate in appropriate and assigned theory and practical activities at all times. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Practices may be completed on mannequin, models, or clients. Policy and regulatory agencies require students to complete an established number of practical experiences for satisfactory skills development and graduation. The requirements listed by category are the minimum experiences that each student must successfully complete prior to graduation. More practices may be scheduled by the instructor based on training needs and clientele volume. Academic learning is evaluated after each unit of study. Practical assignments are evaluated and completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. The instructor will check one block on the Practical Grade Record form for each area completed satisfactorily in the applicable category. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to test procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Academic Standard for Cosmetology

Minimum Practical Work Requirements/Evaluation Time Frame: When students earn 240 hours or more, at the end of the month being evaluated, they're required to complete the minimum number of services in each of the six areas described below:

<u>Full-Time Students</u>	<u>Area</u>	<u>Part-Time Students</u>
12	Shampoo & Sets	8
4	Hair Cuts	2
3	Perms & Relaxers	2
3	Tints & Bleaches	2
2	Nails & Manicures	1
2	Misc. (Facials, etc.)	1

Students are expected to meet the minimums; failure to perform practical work in an area will result in a grade of zero. All theory exams and practical work will be graded using the following scale:

Theory Grading System:

100% - 93%	A	Excellent
92% - 85%	B	Above Average
84% - 75%	C	Satisfactory
Below 75%	D	Unsatisfactory

Practical Grading System:

0	Corrections	100%	Excellent
1	Corrections	95%	Very Good
2	Corrections	90%	Good
3	Corrections	85%	Good
4	Corrections	80%	Fair
5	Corrections	75%	Fair
6 or more	Corrections	70%	Unsatisfactory

Students must maintain an academic average of at least 75% or higher on a cumulative basis, as of the evaluation date, to meet the academic standards of this policy and be considered as making satisfactory academic progress.

FERPA - NOTIFICATION OF STUDENT RIGHTS

The Family Educational Rights and Privacy Act of 1974, as amended (FERPA), is a federal law that protects student information and affords eligible students the following rights with respect to their education records:

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the institution discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA.

An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. Following please find a more detailed discussion of each of these rights and guidance regarding the manner in which they may be exercised.

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

With certain exceptions, an "education record" is defined under FERPA as any record (1) from which a student can be personally identified and (2) that is maintained by the institution.

A student wishing to inspect his or her education records should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

Copies of requested educational records will only be provided in the event that circumstances effectively prevent a student from exercising the right to inspect and review the education records requested and no other feasible arrangements can be made. In such instances, a fee may be charged to cover the production of copies.

2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

To question the accuracy of education records, students should first informally confer with the custodian or originator of the record at issue. A student who then wishes to ask the school to amend a record should write the official responsible for the record, clearly identifying the part of the record that he or she believes should be amended and the basis for why it should be amended.

If the school decides not to amend the record, it will notify the student in writing of the decision and the student's right to a hearing with school officials regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.

Note: The above procedure shall not be available to challenge the validity of a grade or score given by an instructor or any other decision by an instructor or official, but only whether the recording of such grade or decision is accurate or complete.

3. The right to provide written consent before the institution discloses PII from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Students may consent to their school disclosing PII from the student's education record to a third party. This consent must be made to the Registrar, in writing, signed and dated by the student, and must (1) specify the records to be disclosed, (2) state the purpose of the disclosure, (3) and identify the party to whom the disclosure is to be made. This release requirement is applicable to disclosures to parents or other family members who inquire about a student's education record.

To facilitate this process, our school has created a *FERPA Consent to Release Personally Identifiable Information*, which may be obtained from the Registrar. A fee may be imposed for copying a student's record(s) in connection with such a disclosure or release.

Significantly, there are instances in which a school is permitted to disclose a student's education records *without* consent. For example, our school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by us in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of our school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

FERPA also permits institutions, within established guidelines, to disclose without a student's consent information the institution deems "directory information." This provision of FERPA enables institutions to provide beneficial services to students such as verifying enrollment for insurance purposes, verifying degrees earned for employment purposes, providing basic contact information so that students may contact each other, and so on. Our school has identified the following items as directory information: name, address, telephone number, e-mail address, dates of attendance, major field of study, credit hours earned, degrees earned, honors and awards received, participation in official school activities, and most recent previous educational agency or institution.

Students may request that directory information not be released. To request restriction of directory information, students should complete a *Request to Restrict Release of Student Directory Information* form, which can be obtained from, and once completed, should be submitted to, the Registrar.

Additional examples of instances in which our school might disclose a student's education records *without* consent include, but are not limited to: compliance with a judicial order or pursuant to a lawfully issued subpoena; to officials of another school in which the student is enrolled or seeks or intends to enroll (in these cases our school intends to forward the information upon request); in the event of a health or safety emergency involving the student; or to parties otherwise authorized to receive the information pursuant to FERPA.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA.

Students wishing to file complaints relating to FERPA matters may submit such complaints to the following office of the U.S. Department of Education, which administers FERPA:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

In addition, our school encourages students to file any such complaints or concerns with our school pursuant to the Student Grievance Policy located in our Campus Catalog.

Students with questions regarding their rights pursuant to FERPA, or desiring additional guidance concerning the appropriate manner in which to exercise such rights at their school, can contact the school manager.

Attendance Standard for Cosmetology

Students must attend at least 66.67% of the hours they are scheduled to attend based on the student's enrollment agreement. A student's attendance pace is determined by the following formula:

At the point when the student successfully completes the scheduled clock hours for that period

Cumulative clock hours of scheduled attendance as of the evaluation date

Students are evaluated at the end of each period (450-900-1200). We are using as an example, a part-time 75 week, 1500 clock hour program in which a student is scheduled for 20 hours a week. The student successfully completes the 450 hours required for the period at the point where he was scheduled to complete 600 hours. The calculated pace, in hours, would be $450/600 = 75\%$.

Satisfactory academic progress is measured in both quantitative terms (attendance), as well as qualitative terms (academics/grades). Student must meet the school's attendance standard and the academic standard on a cumulative basis (start date to evaluation date) to maintain Satisfactory Academic Progress.

Academic Standard for Cosmetology

Minimum Practical Work Requirements/Evaluation Time Frame: When students earn 240 hours or more, at the end of the month being evaluated, they're required to complete the minimum number of services in each of the six areas described below:

<u>Full-Time Students</u>	<u>Area</u>	<u>Part-Time Students</u>
12	Shampoo & Sets	8
4	Hair Cuts	2
3	Perms & Relaxers	2
3	Tints & Bleaches	2
2	Nails & Manicures	1
2	Misc. (Facials, etc.)	1

Cosmetology Students

All students are expected to meet the minimums; failure to perform practical work in an area will result in a grade of zero. All theory exams and practical work will be graded using the following scale:

Cosmetology Theory Grading System:

100% - 93%	A	Excellent
92% - 85%	B	Above Average
84% - 75%	C	Satisfactory
Below 75%	D	Unsatisfactory

Cosmetology Practical Grading System:

0	Corrections - 100%	Excellent
1	Corrections - 95%	Very Good
2	Corrections - 90%	Good
3	Corrections - 85%	Good
4	Corrections - 80%	Fair
5	Corrections - 75%	Fair
6 or more	Corrections - 70%	Unsatisfactory

Cosmetology Students must maintain an academic average of at least 75% or higher on a cumulative basis as of the evaluation date to meet the academic standards of this policy and be considered as making satisfactory academic progress.

Review and Evaluation Periods

All students are notified by their teachers of their academic progress and attendance and receive an Academic Review monthly and a Satisfactory Academic Progress Evaluation at the end of each period. If the student was absent during the monthly Academic Review and did not receive their review, the student is to request an Academic Review from the teacher. All student's attendance progress will be collected and recorded at the end of each calendar month of the student's period of enrollment. Students must have completed a minimum of 66.67% of their total scheduled enrollment time (minus school holidays) and all students must achieve a 75% cumulative grade average for theory and practical work during the evaluation period for the student to be deemed maintaining satisfactory academic progress until the next scheduled evaluation.

Evaluation Periods:

Students are evaluated for Satisfactory Academic Progress based on actual hours completed at the end of each period as follows:

Cosmetology: 450, 900, 1200

Transfers: If the hours needed at the school are less than 900 hours, then the first evaluation period will occur at the mid-point of the hours needed rather than at 450.

Students who meet the attendance and academic standards described herein will be considered to be making satisfactory academic progress until the next scheduled evaluation.

For all students, Satisfactory Academic Progress for Cosmetology students will be evaluated at the end of each evaluation period cumulative for first academic year 0-450, 451-900 hour mark and the second academic year 901-1200, 1201 hour mark. Students must meet the minimum requirement for each of the following standards: attendance (66.67%) and academics (75%).

Appeals

Students who have been designated as not making satisfactory academic progress may appeal the determination with the School based on a death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student's appeal must be made in writing to the school manager and must be received within 10 days of the determination of unsatisfactory progress. The student's appeal must document the unusual or mitigating circumstances that caused the student to fail to meet the School's standards as well provide information regarding what conditions have changed that would demonstrate that the student could regain satisfactory academic progress standards during the probationary period. The School will review the student's appeal and related documentation and its resulting decision will be final. The appeal and decision documents will be retained in the student file. If the student does not prevail upon appeal due to insufficient documentation, the student will continue the same status, as determine not making satisfactory academic progress.

Interruptions and Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. All students who withdrew from our program of study and re-enters the school, they will re-enter in the same progress status as when they left. With regard to Satisfactory Academic Progress, a student's actual hours completed will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted for transfer students. The maximum time allowed for withdrawal students who need less than the full course requirements will be determined based on 66.67% of the scheduled contracted hours. SAP evaluation periods are based on actual contracted hours at the school. Withdrawn/passing: Students who want to return and have been designated as making satisfactory academic progress prior to withdrawing will be interviewed by the manager and then, reviewed by the appropriate personnel and a determination will be made. Withdrawn/failing: Students who want to return and have been designated as not making satisfactory academic progress will have to be interviewed by the manager and also, complete an appeal form. The student will have to state the reasons why he/she didn't meet satisfactory academic progress and what has changed in the student's situation that will allow to demonstrate to be able to meet satisfactory progress both in academic and attendance. The appeal will be reviewed by appropriate personnel and a determination will be made. No student will be admitted more than two times.

Students credited with completing a portion of a course will be charged the currently hourly fee for hours needed to be completed, plus the fee for equipment (if needed), and an enrollment fee of \$100.00. However, in cases where the total charges (including any enrollment fee and other charges) exceed the current total costs of the course, the school may (at its option) charge the current total costs for the course. In addition, in cases where an school is closed or re-located, the school may (at its option, and only for students transferring at the time of relocation or closure) charge a student's remaining balance from the first Institution as the total charges for transferring into another location. In addition, transfers and re-entries must meet all other admission requirements for the course as well.

Noncredit Remedial Courses / Course Incompletes & Course Repetitions

Cannella School of Hair Design-Elgin Inc. does not offer nor require non-credit remedial courses; therefore these have no effect on the School's Satisfactory Academic Progress Policy. Course incompletes and course repetitions are not applicable to this institution's courses of instruction, and consequently have no effect upon a student's satisfactory progress status in this school.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the school.

Maximum Time Frame

The normal time frames and maximum time frames required for program completion are listed below. The maximum time frame for any student to complete the course in which they are enrolled is one and one-half (1.5) times the course length. Students who maintain satisfactory academic progress in attendance will complete the program during the allowable maximum time frame.

	<u>Normal Time Frame</u>	<u>Maximum Time Frame</u>
Cosmetology (Full Time)	51 Weeks – 1500 Hours	70.31 Weeks – 2250 Hours
Cosmetology (Part Time)	82 Weeks – 1500 Hours	112.5 Weeks – 2250 Hours

Students who have not completed the course within the maximum timeframe and exceed it, may not continue as a student at the institution and will be dropped from the Cosmetology.

If the student takes an official LOA by filling out the "Leave of Absence Request Form", their enrollment agreement end date will be adjusted accordingly by the same number of days taken in the leave of absence and also their maximum time frame is adjusted accordingly. This also applies for a student who changes their schedule and fills out the "Schedule Change" form. **Note:** If a student does not complete the program by the normal time frame, and if the end date has fallen beyond the date which is stated on the student's enrollment agreement upon enrollment, the institution may charge the student an hourly fee for extra instruction needed to complete his/her course (see COURSE COSTS, PAYMENT, & CLASS SCHEDULE).

Determination of Status:

1. New students will be determined to be making satisfactory progress from their actual starting date until the conclusion of their first period of evaluation.
2. Current students who have met both academic and attendance requirements at the end of the evaluation period will be considered to be maintaining satisfactory progress until their next evaluation.
3. Students may regain progress status in attendance by achieving a cumulative attendance average of 66.67% of their scheduled enrollment time on a later attendance report. Students may regain progress status in academics by completing all incomplete and unsatisfactory work and achieving a cumulative of 75% minimum grade point on a later academic report.
4. Students who are considered not making satisfactory progress (No Progress) may be terminated from the school.
5. Students considered not making progress (whether returning from a temporary absence or who have remained enrolled) may regain maintaining progress status through an appeal, or by meeting the requirements at the end of any subsequent evaluation period. However, a student who has not met the requirements at the end of any evaluation period by the midpoint of the course, cannot be considered to be maintaining satisfactory progress at any subsequent evaluation.
6. Students must meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the course to be considered making satisfactory progress as of the midpoint of the course.
7. Temporary Interruptions: A student taking a leave of absence shall return with the same progress status the student had upon taking the leave.

Leave of Absence (LOA) Policy

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

A leave of absence must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring a school to perform a Return calculation.

In order for a leave of absence to qualify as an approved leave of absence:

1. A student may request a leave of absence not to exceed 60 days due to personal or family illness, pregnancy, military service, and other personal reasons. There must be a reasonable expectation that the student will return from the LOA.
2. A second leave of absence may be requested after (30) days from the return date of the first LOA.
3. Special circumstances or other situations can be taken into account for an additional leave and can be reviewed and granted by Cannella School of Hair Design on a case by case basis.
4. New students cannot request for a Leave of Absence (LOA) until after (90) ninety days from their start date, unless the student has written proof from a physician due to their own serious health conditions.
5. All requests for leaves of absence must be submitted in advance in writing, must be signed, and must be dated.
6. The student's application for a Leave of Absence (LOA) must include the reason for the student's leave request. If the student refuses to state the reason for requesting an LOA, their application will be denied. Also, the student cannot state the reason for the request is for personal reasons only, without explaining in detail the personal issue.
7. The student is required to apply in advance for a leave of absence unless unforeseen circumstances prevent the student from doing so (for example, injured in a car accident, etc.). The school may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the institution documents the reason for its decision and collects the request from the student at a later date. The beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend the school because of the accident.
8. Obtain a Leave of Absence (LOA) form from your school manager's office.
9. Complete and submit the Leave of Absence (LOA) form to the school manager for approval.
10. The student must follow the school's policy in requesting the LOA. Approval of the student's request for an LOA is in accordance with the institution's policy.
11. A student granted an LOA that meets the above criteria is not considered to have withdrawn, and no refund calculation is required at that time.
12. The Leave of Absence Request Form will state the date student shall return from the LOA, if student does not return on the date stated he/she will be dropped from the program on the date required to return. The withdrawal date for the purpose of calculating a refund is always student's last day of attendance.
13. Upon the student's return, the student simply resumes or continues the same payment period and coursework and the institution does not assess the student any additional institutional charges as a result of the LOA.
14. A student who does not submit a Leave of Absence (LOA) to the school manager will be considered an absentee.
15. If the student is (14) fourteen consecutive days absent or does not return from their leave of absence by their end date, the student will be consider to have withdrawn from the course.
16. The student's end date on their enrollment agreement and maximum time frame would be extended accordingly to the amount of days actually a student was on a Leave of Absence (LOA). Changes to the contract period on the enrollment agreement addendum must be signed and dated by all parties.
17. A student may request a Medical Leave of Absence only with written proof from a physician due to their own serious health conditions (maximum time, including any other Leave of Absence cannot exceed 180 days within a (12) twelve month period; these provisions starts on the first day of the first leave).
 - a) "Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:

- Inpatient care (*i.e.*, an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (*i.e.*, inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or Continuing treatment by a health care provider.

EXCUSE AND UNEXCUSED ABSENCES:

Students are advised that is important to attend school at a regular basis according to their enrollment agreement class schedule. A student can request a leave of absence up to (60) days or a medical leave of absence up to 180 days including any prior leave of absence within a (12) month period (See Leave of Absence policy). Leaves of absences are considered excused absences. All other absences are considered unexcused. A student who has a valid excuse (medical, court, etc.) can make-up their hours. If the completion date has fallen beyond the date which is stated on the student's enrollment agreement, the institution may charge the student an hourly fee for extra instruction needed to complete his/her course (Please see the Enrollment Agreement for hourly fee). All students who do not complete the course within 150% of the normal completion time will be considered NOT maintaining Satisfactory Progress and will be dropped from the program.

STUDENT WITHDRAWAL PROCESS:

Official Withdrawal – When a school manager receives a request from a student who decides to drop from the program, the student should write a letter stating the reason for requesting it. If the school manager receives a phone call from the student requesting to be dropped, the manager is to record the date the student made the request and record the reasons why. If the student is terminated from the school for violation of school rules or other reason, the manager is to record reason why student has been terminated. The school manager will immediately report it to the Director of Business Operations and submit all required documents.

Unofficial Withdrawal – Students who miss 14 consecutive days will be dropped from the program. Also, any student who does not return from an approved Leave of Absence on the date they are scheduled to return shall be dropped. The school manager will immediately report it to the Director of Business Operations and submit all required documents.

DROP FEE / REENROLLMENT FEE:

Any student who is considered a withdrawal from school records (being absent for 14 consecutive days, including Sunday's Monday's & Tuesday's) will be charged a \$150.00 drop fee and a \$100.00 enrollment fee. Any student, who is not reinstated within 180 days since their last day of attendance, will need to sign a new enrollment agreement and a deposit will be required.

Anyone with information warranting a timely warning should report the circumstances to the school manager.

STUDENT AND STAFF DRUG AND ALCOHOL ABUSE POLICY

1. Our campus is committed to maintaining a drug-free environment for its students and staff. Our culture, driven by a commitment to excellence in all areas, simply has no room for, and is incompatible with, substance abuse in any form. Accordingly, as a matter of policy, our campus prohibits the following:
 - Reporting to campus under the influence of alcohol or illegal drugs or substances, including illegally obtained prescription drugs.
 - Reporting to campus under the influence of legal prescription or non-prescription drugs, if doing so could impair judgment or motor functions or place persons or property in jeopardy.
 - The illegal use, sale, manufacture, possession, distribution, transfer, purchase, or storage of alcoholic beverages or drugs on campus premises, or in automobiles or any other vehicle parked on campus premises.
2. Any violation of these policies will result in appropriate disciplinary action up to and including expulsion, even for a first offense. Violations of the law also will be referred to the appropriate law enforcement authorities.
3. Any student who is convicted for any drug law violation must notify his or her Campus manager within five days of the conviction. On an individual referral basis, students convicted of any drug law violation or otherwise found to be engaged in substance abuse may be referred to abuse help centers or the services of the National Council on Alcoholism and Drug Abuse for counseling and rehabilitation. If such a referral is made, continued enrollment may be subject to successful completion of any prescribed counseling or treatment program.
4. Separate from any legal requirements, our campus is concerned with the health and well-being of members of our campus community. Students may contact the Campus manager, in confidence, for referrals or information regarding available and appropriate substance abuse counseling, treatment, or rehabilitation programs.
5. Finally, we ask for your help in keeping our campus free of substance abuse. Please notify management if you become aware of any alcohol or drug-related activity in violation of this *Policy*.

Legal Sanctions Relating To Substance Abuse

1. Local, state, and federal laws make illegal use of drugs and alcohol serious crimes. State laws contain a variety of provisions governing the possession, use, and consumption of alcoholic beverages. In every State it is unlawful to sell, furnish or provide alcohol to a person under the age of 21. Also, the possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public generally is illegal. Driving while intoxicated also is illegal, independent of age. State laws also prohibit the unlawful possession, distribution, and use of controlled substances and drugs, as defined in each jurisdiction.
2. In addition to local and state laws, federal laws also prohibit the unlawful possession, distribution, and use of controlled substances and drugs. Among other things, federal laws make it a crime to possess drugs (including in your locker, car, purse, or house), to hold someone else's drugs, or to be in a house where people are using drugs.
3. Members of our campus community should be aware of the serious legal penalties applied for conviction in cases of drug or alcohol abuse. Such convictions can lead to imprisonment, fines, and assigned community service. Also, courts do not lift prison sentences in order for convicted persons to attend college or continue their jobs. An offense is classified as a misdemeanor or a felony, depending upon the type and the amount of the substance(s) involved. Specific legal sanctions under local, state, and federal laws may include:
 - Suspension, revocation, or denial of a driver's license
 - Property seizure
 - Mandated community service
 - Monetary fines
 - Prison sentence
4. Persons convicted of drug possession under state or federal laws are ineligible for federal grants and loans for up to one year after the first conviction, and five years after the second. A felony conviction for such an offense also can prevent a person from entering many fields of employment or professions. Under federal law, distribution of drugs to persons under 21 is punishable by twice the normal penalty with a mandatory 1 year in prison. Federal laws set substantially higher prison sentences for the manufacture and distribution of drugs if death or serious injury results from the use of the substance.

Prevention of Substance Abuse and Available Resources

1. Drug and alcohol abuse education programs are offered by local community agencies. Our campus typically posts information about such education programs in the main Office.
2. While care must be taken to ensure that a person is not wrongly accused of drug use, it is recommended that anyone who notes signs of substance abuse in another student contact the Campus manager. If it is determined by the Campus manager that a student is in need of assistance to overcome a drug problem, he or she may be counseled to seek such assistance. Records of such counseling will remain confidential.
3. Students also may voluntarily contact the Campus manager, in confidence, for referrals or information regarding available and appropriate substance abuse counseling, treatment, and rehabilitation programs. Organizations offering such programs include:
 - The Alcoholism and Drug Abuse Hotline 1-800-ALCOHOL
 - The Cocaine Hotline 1-800-NODRUGS
 - The National Institute on Drug Abuse Treatment Referral Hotline 1-800-662-HELP
 - Al Anon for Families of Alcoholics 1-800- 344-2666

Health Risks Associated With Substance Abuse

Alcohol and drugs are toxic substances that affect the mind, body, and spirit. Excessive drinking can cause health risks which include damage to your body organs, impaired physiological responses, mental and emotional disorders, and in very high doses, respiratory depression and death. Drug abuse also is dangerous and can lead to psychosis, convulsions, coma, and death. Continuous use of drugs can lead to organ damage, mental illness, and malnutrition.

POLICY STATEMENT ADDRESSING, PREVENTING, AND RESPONDING TO SEX OFFENSES

The School educates the student community through Prevention programs, which are to prevent dating violence, domestic violence, sexual

assault, and stalking, which are discussed during new student/employee orientation which includes extensive handouts and procedures directed toward personal protection, the prevention of crime, increasing awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses. To increase crime awareness and prevention, local law enforcement officers are periodically invited to speak to staff and students.

The only on-campus services available to victims of sex offenses are described in this report. There is no on-campus counseling, mental health or other student services available.

The school does not provide living situations during enrollment. The school will change a victim's academic situation after the alleged sex offense if requested by the victim, and the change is reasonably available.

In the event a sex offense occurs on campus, the accuser has the option to and should take the following steps:

POLICY STATEMENT ADDRESSING SEX OFFENDER REGISTRATION

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the *Jeanne Clery Act* and the Family Educational Rights and Privacy Act of 1974, the Cannella School of Hair Design-Elgin Inc. is providing a website to the "Illinois Sex Offender Information" and "National Sex Offender Public Registry". This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Illinois, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the Department of State Police.

Illinois Compiled Statutes (730 ILCS 152/115 (a) and (b)) mandate that the Illinois State Police ("ISP") establish and maintain a statewide Sex Offender Database, accessible on the Internet, identifying persons who have been convicted of certain sex offenses and/or crimes against children and must register as a Sex Offender.

Persons required to register as Sex Offenders are persons who have been charged of an offense listed in Illinois Compiled Statutes 730 ILCS 150/2(B) when such charge results in one of the following:

- (a) A conviction for the commission of the offense or attempt to commit the offense,
- (b) A finding of not guilty by reason of insanity of committing the offense or attempting to commit the offense, or
- (c) A finding not resulting in an acquittal at a hearing for the alleged commission or attempted commission of the offense.

The Sex Offender Registry was created in response to the Illinois Legislature's determination to facilitate access to publicly available information about persons convicted of sex offenses. ISP has not considered or assessed the specific risk of re-offense with regard to any individual prior to his or her inclusion on this Registry and has made no determination that any individual included in the Registry is currently dangerous. Individuals included on the Registry are included solely by virtue of their conviction record and Illinois state law. The primary purpose of providing this information is to make the information easily available and accessible, not to warn about any specific individuals.

Anyone who uses this information to commit a criminal act against another person is subject to criminal prosecution.

The Illinois State Police is responsible for maintaining this registry. Follow the website below to access the Illinois State Police website.
